

## Note to Library Staff:

This assignment is to be completed by the students by themselves, with no assistance. The goal is to assess what info lit skill the students possess at the start of the semester. They will not be graded on their answers, just on completion.

### LIBRARY INFORMATION WORKSHEET

NAME \_\_\_\_\_

1. Locate a video on child soldiers at the Wayne College Library.  
Title:  
Call #:  
Is the video currently available to be checked out?
2. You want to read the article, "Trends in energy and sugar intakes and body mass index between 1983 and 1997 among children in Great Britain" from the *Journal of Human Nutrition and Dietetics*, August 2010. Email a pdf of the article to Maureen: [mlerch@uakron.edu](mailto:mlerch@uakron.edu) and include your name in the subject line of the email.  
How did you find it?
3. Find a recent scholarly article on drinking and driving laws.  
Record your search strategy:  
What database did you use?  
What did you type in the search bar?  
Did you limit your results?  
Email a link to your article to Maureen with your name in the subject line of the email.
